MATRIC RESULTS 2022

Roedeans (SA) is proud to announce our best matric results ever.

The 2022 results are awe-inspiring. They are the outcome of an incredibly committed team of teachers who have worked tirelessly to support a dedicated and hard-working group of students. The guidance and encouragement of the parents cannot be underestimated in setting up a cohort for this incredible outcome.

I sincerely thank the teaching team for their unwavering commitment to excellence, even when challenges presented themselves. These results do not come from a single year of dedication, but rather they are the culmination of 12 years of exemplary education. We are truly blessed at Roedeans.

Highlights include:
